

Environmental Birthday Parties

DO SOMETHING WILD FOR YOUR CHILD'S BIRTHDAY with a fun-filled woodland birthday party in the beautiful surroundings of Nower Wood Educational Nature Reserve. All parties include 1 hours of themed games and activities, ending with a hour birthday tea provided by you. We provide invitations for the birthday child to give to their friends and party goodie-bags.

Nower Wood is available for parties on Saturdays & during school holidays at **10am-12noon or 1-3pm**. To book a party or check date availability, please call Nower Wood Education Centre on **01372 379509**.

Prices: **£12.50** per child. Non-returnable Deposit £50. Minimum of 10 children, maximum of 17 (unless stated otherwise). We require a ratio of 1 adult per 6 children.

TREASURE HUNT (7-8 YEARS)

Find the Pirate's hidden treasure by following clues and completing tasks around the wood. We will equip all the treasure hunters with pirate scarves and treasure maps before setting off on a big adventure around the wood. To find the treasure you will work your way through mazes and along blindfold trails, using your map reading and problem solving skills along the way. No treasure hunt would be complete without a sword fight and walking the plank.

ORIENTEERING (8-10 YEARS)

Use a compass and clues to find your way around the wood. A short session in the party room will teach you all you need to know about compasses and setting a bearing – a skill that should last a lifetime! We will then set you off in groups to make your way around the wood, collecting clues about a mystery animal and discovering more about our woodland habitat as you go.

WOODLAND FAIRIES (5-9 YEARS)

A host of different activities await you on our fairy trail around the wood and if you really believe, you may even see one for yourself! You will make your very own fairy to take out into the woodland. Together you will explore the tree tops using magic mirrors, look at the woodland through a fairy's eyes and visit the fairy gardens. A "Good Weather" spell and plenty of fairy dust will help you on your way.

BUSH CRAFTS (8-10 YEARS) MAXIMUM 12 CHILDREN

On route to our special camp, you will collect natural materials to fuel our camp fire. Once at the camp you will set up a shelter, learn all about fire and then build a camp fire to cook your lunch. While lunch is cooking, we will show you how to use simple tools – whittling and hand drilling amongst others. After lunch, there will be a chance to discover what can be made out of materials found in the wood.

WOODLAND MINI BEAST HUNT (5-8 YEARS)

A minibeast safari to discover what is living in the wood through a series of minibeast themed games, sensory activities and searches. During the party you will hunt under logs, sweep through the grass and shake trees to discover the many creatures living in the habitats of Nower Wood. The woodlouse trail will show you just what it feels like to be a creature wandering around the wood at night.

WOODLAND SURVIVAL (7-8 YEARS)

Can your tribe survive in the wood? Let us show you how to navigate through the woodland using nature's clues, survive on nature's larder and shelter from the elements. The party includes an introduction to fire lighting, team shelter building and a chance to walk through the wood in the dark.
