Lovely creative day in a beautiful setting.

Louise Richards - *Batik*, October 2017

Dave is passionate and enthusiastic about dormice.

I thoroughly enjoyed the day.

Max Sheldon - *Dormice Ecology*, June 2017

The tutor was great. He made coppicing accessible and exciting.

Viv Sidlin - *The Art of Coppicing*, February 2018

Most of our courses are held at our purpose-built Nower Wood Education Centre. We are very proud to offer state of the art facilities along with direct access into our private ancient woodland. Depending on the course topic, we also use a variety of other Surrey-based venues that will enhance your experience on the day.
