

Wildflower ID training - Covid Guidance

Your safety is very important to us and to ensure your safety, we have put in place additional measures to protect staff, attendees and the wider public.

If you are clinically extremely vulnerable, or clinically vulnerable (over 70, pregnant, or have an underlying health condition) we ask you to follow Government guidance, or if you live with someone who is, please consider their needs before attending this training session:

<https://www.gov.uk/volunteering/coronavirus-volunteering>

For those that attend this event, it is your decision if you attend under the current conditions. We ask you to consider your own circumstances and health situation to decide if you are willing and able to attend.

Please take a moment to familiarise yourself with the new code of conduct below. For full details read through the Covid-19 risk assessment. Please keep your safety and the safety of others in mind at all times.

Coronavirus Code of Conduct	
All who participate in Trust-led activities are required to follow the Code of Conduct:	
	Maintain minimum 2m social distancing at all times
	Make your own way to and from site. Wear a facemask if taking public transport
	Attendees will be asked to pre-book before attending a session
	Sanitise hands before entering/when leaving site, and at refreshment breaks - bring your own alcohol-based sanitiser/hand wash if possible
	Bring your own refreshments/cup/utensils/lunch
	Hand tools, equipment & PPE will be cleaned prior to the session
	Support staff by following their safety guidelines
	No sharing of vehicles, tools, equipment and refreshments
	Do not attend if you, or someone you live with are displaying any of the symptoms of COVID-19, or have tested positive in the last 10 days <ul style="list-style-type: none"> • A high temperature • A continuous cough • A loss of, or change to, your sense of smell or taste
