

## Trustees Seeking Election

### **Caroline Lovelace**

Caroline worked for WWF, the conservation charity, as Head of Internal Audit for 18 years before she retired at the end of 2020. A qualified accountant, her role was to lead her team reviewing the organisation's capacity to meet its important conservation goals both in the UK and overseas. More recently Caroline has served as a trustee on the Board of Blue Ventures, the marine conservation charity. With a degree in Human Environmental Studies, and a passion for nature, Caroline brings a range of skills which will benefit SWT operations and the Trustee Board.
